

Sony Pictures Classics is proud to present the following for your consideration.

CALL ME BY YOUR NAME

In the summer of 1983, in the north of Italy, Elio Perlman, (Timothée Chalamet) a 17-year-old American spends his days in his family's 17th century villa lazily transcribing music and flirting with his friend Marzia (Esther Garrel). One day Oliver (Armie Hammer), a graduate student working on his doctorate arrives as the annual summer intern tasked with helping Elio's father (Michael Stuhlbarg), an eminent professor specializing in Greco-Roman culture. Soon, Elio and Oliver discover a summer that will alter their lives forever. CALL ME BY YOUR NAME, directed by Luca Guadagnino and written by James Ivory, is based on the novel by André Aciman.
